Case No. 3:17-cv-00849-VC

[CLASS ACTION]

[PROPOSED] ORDER GRANTING  
PLAINTIFF'S MOTION FOR  
ATTORNEYS' FEES, EXPENSES, AND  
SERVICE AWARD

Hon. Judge Vince Chabbria

Date: October 25, 2018

Time: 10:00 AM

Judge: Hon. Vince Chabbria

Courtroom: Courtroom 4

1 This Court, having received and fully considered Plaintiff’s notice of motion and motion  
2 for attorneys’ fees, expenses, and service award; supporting memorandum of points and  
3 authorities; the declaration of Ryan J. Clarkson; the declaration of Thomas Iglesias; the pleadings,  
4 declarations, and other evidence previously filed with this Court on May 10, 2018 in connection  
5 with the Plaintiff’s motion for preliminary approval and supporting papers; and the oral argument  
6 presented to the Court, HEREBY ORDERS and MAKES DETERMINATIONS that:

7 1. Pursuant to Federal Rule of Civil Procedure 23(h), this Court finds and determines  
8 that reasonable attorneys’ fees should be awarded to Class Counsel Clarkson Law Firm, P.C., in  
9 the amount of 25% of the \$2.5 million claim fund amount. Specifically, the Court awards and  
10 grants final approval of the sum of \$625,000 as attorneys’ fees to be paid out of the common fund  
11 within 30 days or as otherwise provided in the parties’ settlement agreement. This award  
12 represents a 1.19 multiplier, which is well within the range of multipliers the courts have allowed,  
13 and is warranted in this case.

14 2. The fee award is appropriate based on Class Counsel’s efforts and the substantial  
15 benefits to the class. Class Counsel dedicated significant time and resources in pursuing  
16 Plaintiff’s claims, and did so despite the real risk of nonpayment for their investment of time and  
17 resources due to the contingent nature of their representation.

18 3. The Court finds and determines that \$102,172.12 in litigation expenses were  
19 reasonably incurred by Class Counsel and are awarded to Clarkson Law Firm, P.C. and to be paid  
20 out of the common fund within 30 days or as otherwise provided in the parties’ settlement  
21 agreement.

22 4. The Court finds that Thomas Iglesias’ substantial efforts on behalf of the settlement  
23 class warrant a service award in the amount of \$5,000, which shall be paid out of the common  
24 fund within 30 days or as otherwise provided in the parties’ settlement agreement.

25 **IT IS SO ORDERED.**
